ESTABLISHED 1860

VOLUME NUMBER 91

CAMERON, MILAM COUNTY, TEXAS, THURSDAY, OCTOBER 5, 1950

NUMBER 25

COTTON ACREAGE QUOTAS ARE ENDED

BUILDING PERMITS TOTAL \$26,450.00

CONSTRUCTION NOTED IN BUSINESS AREAS

Building permits in the City of Cameron for the month of August reached a total of \$26,450.00.

The report is encouraging because in major part it involves construction in the merchantile area. It is noted that Cameron Fruit Company is enlarging its quarters and First Baptist Church and First Methodist Church are making improvements, the former enlarging the annex and the minister's home at the Methodist Church is being repaired.

The remainder of the total involves construction of homes and one is in the amount of \$12,000 for Henry Michalka in Green Addition. He is the Studebaker Dealer for this territory and friends are congratulating him on his success and construction of his new home.

W. H. Stafford, city secretary and treasurer, prepared these totals for publication and said the figure for permits for August were in line with construction progress made since the beginning of the new year.

It appeared the building total in the city might reach \$399,000 by the first of January.

\$50,000 AVAILABLE FOR COUNTY RURAL ROADS

An election to authorize the levy of the current state ad valorem tax of 30 cents may be called in Milam County, if petitions now being circulated, obtain the required number of signatures.

It was said here by Judge Dan Tyson, that approximately \$50,000 a year would be available for farm to market roads.

The 51st legislature provided that counties may levy this tax for local purposes and the money must be spent on farm to market roads. Tax cannot be levied and collected unless authorized by a vote of the people.

The petitions, now being circulated, call upon the Commissioners Court to order an election to determine whether this tax shall be levied. The court on its own motion could call this election but the members want the people to authorize it.

Support for levying this tax will depend to a great extent upon an understanding on the part of the tax payers how the money will be used and where it will be spent. If these funds are allocated to the Four Commissioner Precincts, to be spent as the commissioners elect, the money will be wasted. If the court will make a plan and handle these funds on definite projects wherever needed and under the advice of an engineer, much can be done.

It would do no good to levy a tax of 30 cents unless it can fit into Blue Prints and in cooperation with the State Highway Department.

The people should have this information in advance of any election: so that every civic resource and people in the rural area can get behind this needed progress.

Simple Assault Fines In Cutting as Two Negro Women Fight

Two young negro women were arrested Saturday night following a cutting spree and were permitted to pay simple assault fines in Justice court.

Dorothy Green was charged with slashing Jewel Fay Miller with a knife in the former's home after a quarrel which officers said involved the husband of Dorothy Green.

Jewel Fay Miller sustained knife wounds of her right arm and left side and was taken to a local hospital for treatment, later released.

A puzzling phase of handling such cases is the permission granted to pay an affray or simple assault fines when one person attacks another with a knife as an implement which could inflict death or critical bodily injuries.

YOEMEN MEET MASONS HERE FRIDAY

COUNCIL NOW WANTS TO CONSERVE MONEY

The City Council Tuesday night voted unanimously to set aside funds from the parking meters to be used exclusively for a permanent street improvement fund and this reverses the position of the council taken some weeks ago when it voted to pay increased policemen salaries and other things out of these funds.

Alderman Milton Schiller made the motion and August Kunz seconded.

There has been considerable reaction against the failure of the council to utilize this money for worthwhile things. If the council will do what they say they will, which is not likely, much can be done.

A petition of 10 property owners living outside the city limits, northwest, asked the city to extend water mains but the council turned it down. This raises the age old question, and under the circumstances, the council is entirely justified in the position it has taken. Property owners not in the city limits can hardly expect to continue to get all these benefits when they pay no city taxes.

Elmo Vaughn, one of the petition signers said that people in that area would like to come into the city limits. All they have to do is ask the City Council to take them in, by a simple petition. If this is done, water mains can be extended.

Alderman L. Van Perkins asked Mayor Green how the right-of-way was coming along on Highway 36 and what had been done about it. Mayor Green then asked Alderman August Kunz who is a member of the committee and he turned to Roy Baskin, city attorney, as spokesman for the committee and Mr. Baskin said "We are doing the best we can."

The council consumed about 2 hours re-reading the new electrical code and it was passed to its third reading. Unless the ordinance is published the people will not know what it contains.

There is some evidence that the feud on the Council is abating. People must not expect too much but there is a great difference between taking a position and getting the job done.

Sheriff Alonzo Taylor Died at Hebbronville; Rites Held at Goliad

Alonzo Taylor, Sheriff of Jim Hogg County, died in Hebbronville late last week following a protracted illness.

Sheriff Taylor was a cousin of Publisher J. B. White and a brother-in-law of Prothro Deer, former Cameron boy and the son of Mr. and Mrs. Sam Deer.

Mr. Taylor has been Sheriff for many years and as a young man was a member of the Texas Rangers. He was a member of a prominent Pioneer South Texas family, being the son of the late Buck Taylor, at one time Sheriff of Goliad County. He was the grandson of the late Joseph Taylor, widely known wealthy cattleman and landowner in Goliad County.

Funeral services were held at Goliad where the deceased was reared.

Among the survivors are his mother, Mrs. Buck Taylor of Goliad, one brother, Joe Taylor and Mrs. Prothro Deer who was the former Doris Taylor.

CIVIC SUGGESTION

Replace windsocks at Municipal Airport so beer drinkers can find way home.

Mr. and Mrs. R. W. Esslinger and son of Fort Worth visited Mr. and Mrs. A. W. Esslinger over last week end.

THERE IS NO PLAN FOR FINANCING HIGHWAY

To get an idea of the state of confusion that exists in the City Government you should get up some morning inspired with a desire to be helpful and try to get a little information.

Early Tuesday morning this newspaper called Mayor A. N. Green, City Secretary W. H. Stafford, then John C. Andres, chairman of the Finance Committee and to each of them 2 questions were put as follows.

What is the total amount of warrants that can be issued by the City at one time? Can the city issue warrants payable at a future date over and above current year funds?

These officials did not know the answers to these questions. From this situation it can be seen that the City Council has never yet discussed how to pay for the right-of-way on Highway 36 or if it was discussed there seems to be an extremely limited understanding of what it is all about.

Investors with ready money are always anxious for the people to issue bonds for they run for a long period of time and the people get less than half for their dollars. Warrants issued to be paid out of current funds and running over a short period of time are cheaper to finance even though the rate of interest is higher.

A bond election should not be called until financing possibilities otherwise are fully exploited.

In the meantime the I. Q. of your city leaders is not very high or understanding of this important problem.

A checkup Tuesday discloses that no deeds have yet been obtained on the right-of-way through the city and Mayor Green said he thought the right-of-way would cost the people around \$50,000.

Some of the property owners along the survey route have been told that the building of the highway has been deferred for 2 years.

PROGRAM OF MUSIC MAY COME NEXT YEAR

Members of the Milam County Civic Music Association will not have concerts this season as they have had in the past two years.

At the meeting of officers and board of directory Wednesday morning, it has been disclosed that a fall campaign drive will not be put on this year, due to lack of interest at the present time and also the lack of campaign workers.

These campaign drives have been very successful in the past two seasons under the leadership of Mrs. C. G. Swift, Secretary of the organization and also a number of other interested workers who have so faithfully pledged their time and effort in carrying out these membership drives.

The interest in civic music is still alive in the city of Cameron and surrounding communities and it has been the most cultural achievement backed by the citizens here in the past decade and many music lovers are despondent over the situation.

Members of the organization are anticipating a drive to be carried out sometime in the Spring and many of the workers and members are looking forward with great interest to open another drive for membership in 1951.

The untiring efforts of those who have faithfully contributed their time and interest to this worthwhile organization has been greatly appreciated by the officers and board of directors and they wish to express their sincere thanks to those who have assisted in making the campaigns for the past two seasons a success. The officers and directors have said that they are willing to devote their time and efforts in putting on another drive next spring.

The officers are: Max McClaren, President; Mrs. C. G. Swift, Secretary; Miss Shirley Horstmann, Treasurer, and Mrs. Stanley Swift, Mrs. Charles C. Smith Jr., Mrs. J. L. Callaway, Mrs. Joe Hickman, Mrs. T. L. Denson and Mrs. Richard Bush, Vice Presidents.

YOEMEN RESUME PLAY AFTER WEEK OF REST

Football will ride again on the wings of popularity with Cameron fans Friday night when the Yoemen play Masonic Home.

The Yoemen have had two weeks of rest following their shellacking by the Brenham Cubs. Thus far the Yoemen have won 1, tied and lost 1 and may be out to improve that percentage Friday night.

This newspaper had no advance information on the relative strength of the teams but Masonic Home always comes up with a good squad and fans will see an excellent game.

Reserved seat and General Admission tickets will go on sale until 5 p. m. General Admission tickets will go on sale at the High School also.

Coach Paul Smith will be happy to see his home town team for he was reared at Masonic Home and before coming to Cameron was the coach there.

The Yoemen have been doing a lot of hard work and should be in excellent shape for this game.

The Shriners from Fort Worth and Waco will put on a half time drill and local Masons will provide a dinner for the Masonic Home team and the Yoemen after the game at the cafeteria in the Ada Henderson School.

MORE HOUSING LOANS APPROVED BY FHA

More than 470 housing loans, amounting to \$2,014,731 have been approved by the Farmers Home Administration in Texas since the Farm Housing Law became effective November 1, 1949 it was reported today by FHA County Supervisor, Roy M. Wright.

These loans, made for the purpose of improving farm housing, are made to land owners who cannot secure financial assistance for this purpose through private lending institutions. (turn to page six)

FARMERS MAY PLANT WITHOUT CURB IN 1951

WASHINGTON, Oct. 3.—The government today threw overboard all cotton planting and marketing curbs for 1951 and called for a 16,000,000 bale crop next year to meet the nations war-boom needs.

That would be 6,000,000 bales larger than this year's crop and on a par with the 1949 near record production. Secretary of Agriculture Charles F. Brannan gave cotton growers the green light to produce all they can by announcing there will be no acreage allotments or marketing quotas on next year's crop.

These are government controls used to keep the cotton within specified limits to avoid costly surpluses.

Brannan said that "at least" 16,000,000 bales are needed next year, and that removal of all curbs "will help insure this production needed to take care of increased domestic and export demand and to avoid depleting our reserves."

Cotton has become abnormally scarce this year, and Brannan attributed this to a combination of conditions. He noted that plantings were down this year—"well below the established national allotment." And he added that the yields—bales per acre—were the lowest since 1946.

"At the same time," he said, "prospective disappearance of cotton for this marketing year is at a high level."

Removal of the curbs does not mean the farmers won't continue to get federal price supports on the 1951 crop. In fact the new farm law provides that cotton prices must be supported at between 80 and 90 percent of parity next year, and Brannan is expected to set them at the top figure.

Brannan's goal of "at least" 16,000,000 bales does not mean that farmers will limit their output to that amount. The opportunity for unlimited production, plus the guarantee of high price supports, gives them incentive to produce all they can get.

City Would Move Curb Market Around Court House Lawn

Cameron's pride and joy, the curb market, that has furnished more free street space in years than any other section, may be banned.

The City Council Tuesday voted to stop all merchandising on the square.

Bob Terry brought the matter up and was supplemented by remarks from Alderman Perkins. After the council voted, City Marshal Richter said he would see to it that potato, melon and fruit wagons are moved Wednesday morning.

The council said this would also include the Cedar Post industry.

Of course, no one expects the city council to move anything off the streets. This question has been up for many years and like the notices the council has been running about shooting fireworks and people running to fires, no one has been arrested and never will be.

The city has no market place and has consistently refused to provide one. As a civic suggestion for the day it might be well for the council to have merchandising removed from the sidewalks also.

Cotton Farmers Of County Will Face Acreage Issue

Cotton farmers in Milam County generally have always supported the government program and it is believed that they will not favor unrestricted planting.

The Farm Bureau will meet Thursday night and consider a resolution to call upon the government to continue to control cotton acreage.

There is real danger to the price of cotton when production is allowed to exceed the demand, but in 1951 the government says the world can utilize a sixteen million bale crop. Milam County has largely abandoned its heritage of cotton but next year may see the largest acreage in many years.

THIRTY YEARS IN BUSINESS with a long and honorable record in their sale of Firestone products, O. B. and August Horstmann are shown above receiving from J. H. Bowman, District Manager for the Firestone Company, a check for \$100.00 each. The occasion was the 30th Anniversary of Horstmann Brothers observed on September 21. In addition, they were given a 14 karat gold pin each. Mr. Bowman and Harold Crawford, territory salesmen for the company, were here to celebrate with Horstmann Brothers their three decades of Firestone dealership. In the background is the showroom of the store on South Houston and as can be seen they do not hesitate to feature Firestone products. They are also Hudson dealers and both men have played well their role in the civic and official life of the community. August Horstmann is a former member of the City Council and O. B. Horstmann is a former member of the Cameron School Board.

CAMERON C SQUAD BEATS ROSEBUD C TEAM 25-7

The Cameron C Squad scored in all quarters in the game with Rosebud C team Tuesday night and were victorious by a score of 25 to 7.

The C squad under the management of Coach Ross was in fine shape and the running attack proved very successful under the T formation. This was the first game for the C team this season. The Rosebud team won the toss and chose to receive, defending the south goal.

Early in the first quarter, Charles Collins recovered a fumble at mid-field and Cameron took over and on 4 plays through the line, Captain Joe Lee Heitman carried over from the 5 yard line. Charles Shuffield added the extra point through the middle of the line.

During the second quarter behind the blocking of Retting, Favors, and Beale, the offensive threat proved very successful and the C Team added another touchdown making the score 13 to 0. The try for extra point was unsuccessful and the first half ended with no further scoring.

The second half opened with Cameron receiving and the short kick was returned by Donald Shuffield to mid field. The Cameron team with quarterback Wayne Fisher running the ball behind interference of Perry, Heitman and Rex McClaren made 3 first downs, but the offense bogged down and Rosebud took possession and began their serious passing threat but the Cameron team soon broke up their forward march.

On the fourth down, Rosebud punted and Charles Shuffield caught it on his 40 and ran 5 yards and lateraled to Joe Lee Heitman who cut wide to the left side and evaded all the Rosebud eleven and raced 55 yards for the third score for the night. This play was successful because of blocking of Billy Ross Thompson who threw the key block. The try for extra point was an end run by Perry that fell short. After the third quarter scoring, the C reserves flooded the field and the Rosebud offensive came to life and scored their only touch down to make the score 19-7. The Rosebud team scored on several power plays through the center of the line going over from the 12 yard line. The Rosebud offensive clicked in several plays and were able to make a number of first downs.

During the fourth quarter the Cameron team added the last touch down with Heitman under the T formation carrying over from the 16 yard line making the score 25 to 7. The try for extra point failed.

The game was well played by both teams and only few injuries resulted and every player should be ready for the next game. Beal received a serious cut over his left eye and will probably be out of play for several days.

Coach Ross was especially happy over the running attack of the C squad and the line stiffened and held the Rosebud team as they started their offensive attacks.

Meter Funds Average \$1,000 Per Month; City Has Collected \$2,134.37

Parking meters are still bringing in a considerable amount of revenue but this week's report is a little less than in the past two previous weeks.

Marshal Terry, officer in charge of meter collections, reported a total of \$262.13 taken from the meter boxes on Thursday and with this amount the grand total for the past nine weeks of operation, the city has collected \$2,134.37 making approximately an average of around \$1,000.00 a month.

This money could be used to a great advantage in improving the lighting situation up and down our dark alleys. The City of Rosebud has recently completed construction of a new lighting project, and our "rugged individuals" want to keep us in an unprogressive stage so that "the family house" can be run as it has in the past.

Efforts of progress are continuously being strangled by our Civic Big Wigs and the city needs "a shot in the arm" so to speak, to arouse some of our civic leaders who so frequently assault the coffee urns.

Are we to stand by and gradually let our fine city pass out of the picture, or are we going to get on the ball and start things rolling that will create enough interest to start some movement that will be beneficial to our town.

The City Council should be well aware of the fact that if something isn't done in the near future to improve our town that by the time the next census survey is made we may be under the 4,000 mark. The council has had every chance to do something constructive for our city, but has lagged continuously in getting our all important right-of-ways.

Mike And Ike Now On Demonstration At Ideal Hatchery

Mike and Ike are here again. Who are they? They are just plain pigs now at the Ideal Hatchery. The question is, which one will weigh the most in a 60 day period.

Mike and Ike are thoroughbred Duroc. Mike will be raised in a pen, along with his litter mate Ike, at the hatchery here in a "split-pig" Demonstration. Mike will be on Purina Hog Chow supplement and grain and get all he can eat. Ike will be fed on shorts and corn, but Ike will also have all he can eat. They now weigh 34 pounds each, and will be weighed every 15 days. A complete record will be kept throughout the 60 day period.

"Beutena," Holstein calf at the hatchery now weighs 120 pounds. Beutena was brought to the hatchery July 12, and only weighed 75 pounds. Since that time she has been fed Purina Calf meal, Calf Startena, hay, water and a small amount of milk.

PINK BOLLWORM FOUND IN ADJACENT COUNTY

Gov. Allan Shivers slapped an emergency pink bollworm quarantine on Bell and eight other cotton producing counties yesterday, United Press reported. Shivers office said the proclamation was signed at the request of the U. S. and state departments of agriculture.

Quarantined counties besides Bell include Falls, Limestone, Liberty, McLennan, Chambers, Val Verde, Austin and Fort Bend.

G. B. Ray, district supervisor of the Bureau of entomology and plant quarantine in Waco, said yesterday that no Pink Bollworms had been found in Falls county but that Falls would be quarantined because worms have been found in every county surrounding it, with the single excep-

tion of Robertson county.

Under the emergency quarantine, shipment or transportation of cotton or cotton products from Bell county to an area not under the quarantine is banned unless the cotton is properly fumigated to destroy the pest. Violators of the ban are subject to a fine of not less than \$50.

(Some time between now and next planting season, a hearing will be held in Bell county, and in each judicial district in the newly-quarantined areas, to determine what regulations will govern in the future. A five member board, four members from over the state and one from Bell county, will hold the hearing then will recommend whether the county shall be classed as a lightly infested zone, heavily infested zone, or a no-cotton zone. Regulations vary, depending on the seriousness of the danger to cotton.)

Mrs. N. H. Butts is visiting friends and relatives in Houston.

Graveside services for the infant son of Mr. and Mrs. Odous Tindall of San Antonio were held Saturday, September 23 in San Antonio. Mr. Tindall is the son of Mr. and Mrs. H. C. Tindall of Cameron.

Sunday guests in the home of Mr. and Mrs. Roy Wright were, Mr. and Mrs. Villi Erskin and son, Hugh, Howard Swinnea, Mrs. Hiram Swinnea, Gertrude Swinnea and Mrs. Lena Pearl Wilson all of Marlin.

TEN STEPS FROM A MISTAKE?

don't take your Corn Harvester off the tractor UNLESS...

... it is 100 percent ready for next year. If it has seen hard service, here are three things we'd like to do while the machine is still on your tractor:

1. Inspect the harvester carefully for worn, bent or broken parts.
2. Make any needed repairs.
3. Protect all polished surfaces from winter rust.

So, lay those wrenches aside for a few days. Drive your tractor in; or phone and we'll come for it. If you need the tractor, we'll send it back while our shopmen check your Corn Harvester.

Better Buy Buick!

PERHAPS you've noticed that there seem to be a lot of these brawny beauties running around on America's highways—and it isn't just that boldly gleaming forefront that spreads this impression.

It isn't just the fact that folks who own a Buick get such a bang out of it that they do a lot of driving.

Back of all this is another fact. It's a fact that contains a broad hint to anyone who'd like to know what's what in motorcar buys. 1950 Buicks are breaking all past popularity records, as registered in sales.

So we suggest that you do some personal investigating.

Find out, for example, how mas-

terful you feel, with Fireball power purring away the miles, at a polite touch of your toe on the gas treadle.

Find out how the jolts and jars seem to disappear, when you have big soft coil springs on all four wheels, and fat low-pressure tires on wide Safety-Ride rims.

Then there's Dynaflo Drive,* which Buick owners vote the biggest automotive hit that has come along in years.

With all this, there's room, and comfort, and road-hugging heft combined with a light and willing response to your hand on the

wheel—and prices that start down with the sixes.

Seems like almost everyone wants to own one of these Buicks—and most people can. How about you? Isn't it a smart idea to see your Buick dealer now and get your name on his list?

Only BUICK has Dynaflo—and with it goes! HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders • TRAFFIC-HANDY SIX, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low pressure tires, ride-steadying torque-tube

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Join the HENRY J. TAYLOR, ABC Network, every Monday evening.

STORAGE BINS located at the corner of 11th Street and North Jefferson Avenue near the Texas & New Orleans Railroad are being used for overflow storage under the new agricultural plan. These bins

are in addition to the main storage facilities in the new Graham Warehouse located on the Santa Fe. Storage is now vital to profitable marketing of grain crops.

RIGHT OF WAYS STILL MUST BE OBTAINED

Funds for reconstruction and rebuilding sections of U. S. Highways 190 and 77 and Texas highway 36 in Milam county were allocated Saturday by the Texas Highway Commission at Austin.

The appropriations by the highway commission is part of \$5,000,000 to be spent on major highways in this state did not make any separate estimate of projects in this area and the appropriation is a part of \$60,000,000 major portion of the money will go for a 2 year program in Central Texas. The improvements are to be made over about 100 miles of what is known as trunk highways in this area. The

area of Central Texas. The commission on highway 81 through Waco and North from the Brazos River where a four lane improvement project is under construction.

In addition to highway 81 and U. S. highway 77, State highway 7 from Marlin to Kosse will be resurfaced for 14 miles.

On Highway 79 in Milam County between Rockdale and Thorndale, two bridges will be widened and three bridges between Milano and Rockdale will be widened.

Construction on U. S. Highway 190 which is also State Highway 36 is of vital interest to the people in Cameron and Milam County. The Commission authorized reconstruction from the Bell County line South, a total of 7.2 miles. The Highway is to be increased in width, new structures and surfacing. In addition, the Commission set up an appropriation for

7.2 miles South to Cameron. This is the section of Highway 36 about which so much has been said in Cameron in recent weeks.

The City has been called on for right of way but so far has not secured a single deed, although a year has elapsed. There is nothing to indicate that the Highway Commission will spend this money on this highway unless right of way is secured. These appropriations are always contingent upon the city or the county obtaining right of way, if requested by the Commission. Of course if the Commission has no intention of creating a new right of way to straighten out the old road, it might go ahead and resurface the present roads.

Judge Dan Tyson who went to Austin on Tuesday of last week for a conference with members of the Highway Commission said early Monday morning that there has been no change in the plans of the Commission to relocate right of way from the city of Cameron through Buckholts and right of way will have to be secured and he expected the County to receive a request for its part on this new road soon.

The city of Cameron is still under obligations to obtain the right of way through the city in the road already surfaced and it appeared that this new stimulus should awaken some kind of desire on the part of the Council to go ahead before it is too late.

Further improvements on U. S. Highway 77 have been authorized in Falls County, a total of 2.7 miles Northeast of Rosebud and 7.4 miles of grading and structures on the same roadway leading through Rosebud and 7 of a mile Northeast of Rosebud to the Milam County line at Burlington. The Commission has already authorized construction on U. S. Highway 77 from Cameron to the Falls County line, a portion of which is a new right of way recently obtained by the county.

It was understood here that the reconstruction on U. S. Highway 77 from Cameron, west to the Bell County line would in no way affect the plans of the Highway Commission to creating a new right of way construction through Cameron to join the old right of way West and to straighten the road through Buckholts but so far the Commission has made no requisition of the County for his new right of way.

It is assumed that the present route of the Highway which is also State Highway 36 will be resurfaced from a point West of the city to the city limits and this would connect with proposed rebuilding from S. Crockett West to the city limits.

Senior Class At Buckholts School Elects Officers

The Senior Class at the Buckholts High School met and elected officers and sponsor for the coming year, Monday September 25.

Officers elected are as follows: Douglas Williams, president; Joe Lee Zalesky, vice-president; Erna Senkel, secretary; Marie Petruy, treasurer; Alene Hanke, reporter; Mildred Abel, committee chairman.

H. L. Whitesides was elected as sponsor of the class and plans were made for some of the Fall activities which will soon get underway.

The class hopes to have a most successful year and are putting forth every effort to make it a success.

G. T. Mode of Cameron is a medical patient at Newton Hospital.

WORLD SERIES WILL BEGIN WEDNESDAY

(From the Daily)

NEW YORK, Oct. 1— The Philadelphia Phillies won the National League pennant for the first time in 35 years today when they defeated Brooklyn, 4 to 1, in a thrilling final game decided on Dick Sisler's 10th inning home run into the left field stands at Ebbets field.

Saved from a possible play-off by Sisler's dramatic blow, Manager Eddie Sawyer's "whiz kids" gained the right in the final race to meet the New York Yankees, king of the American league, in the World Series opening Wednesday at Philadelphia.

Had Brooklyn won today, the race would have ended in a tie and necessitated a three-game playoff.

The last time the Phils won a pennant was in 1915, when they had the immortal Grover Cleveland Alexander pitching for them.

The victory achieved today is the culmination of a determined uphill effort by Bob Carpenter, rich young owner of the Phils, to regain long-past glories.

The first two games of the World Series will be played at Shibe Park, the Phillies' home field. The third, fourth and fifth contests are scheduled at Yankee stadium. If neither club has won the series by then, the sixth and seventh games will be in Philadelphia.

The Phils suffered a distressing blow recently when their great young lefthander, Curt Simmons was inducted into the army. He had won 17 and lost eight. Simmons said today he had abandoned hope of pitching in the series.

Television rights have been sold for \$800,000. Set owners in 49 cities reaching as far out as Omaha, Neb., and Jacksonville, Fla., can see the play-by-play picture.

Every reserve seat has been sold both at Yankee stadium and Shibe park.

Manager Casey Stengel's Yankees lost their final game at Boston today, 7-3.

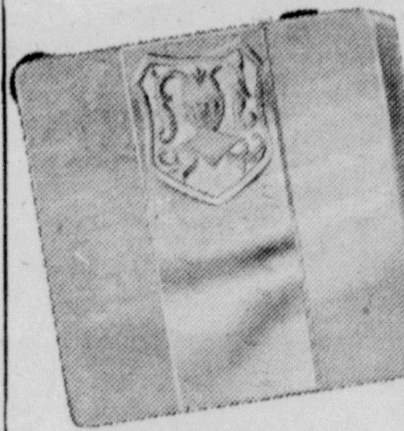

Humble Slates Big Broadcast Schedule On Saturday Games

The Southwest sets its intersectional record against the Big Seven and Southeast Conferences Saturday besides having its own first league game of the year. Radio reports of this action will fill Humble Oil and Refining Company's football broadcast schedule this week.

From the Big Seven, Oklahoma U. faces Texas A & M and Missouri tries SMU. The Southeast sends LSU against Rice and Mississippi State to meet Baylor. Meanwhile, Arkansas and TCU will play the first Southwest Conference game of the year.

Kern Tips and Alec Chesser will report the Aggie's invasion of Okla-

NEVER BEFORE...

GIVE IT A TEST A CHALLENGE

There is no substitute for newspaper advertising. This has been true as applied to modern merchandising for years.

These newspapers offer to the people of this area the greatest medium possible to obtain in the columns of a modern press. Hundreds of business men have told us the same story! "We can hardly believe it possible to obtain so many results."

Intelligent advertising is a matter of planning and the cost should never be considered as an expense. It is always an investment.

Women October 7-8

The St. Rita's Circle held its regular meeting at the Simin-George Hall Wednesday September 20 with Mrs. E. O. Schiller Sr., and Mrs. Frank Richter Sr., as hostesses, with 24 members present.

The purpose of the meeting was to discuss plans and make preparations for the N. C. C. W. Convention to be held here October 7-8 at the Knights of Columbus Hall.

Delegates appointed and organizations they are to represent are: Mrs. J. T. Parma, N. C. C. W., local Parish, Mrs. Rudolph Richter, alternate; Mrs. August Gurecky, St. Rita's Circle; Mrs. Joe Marek of Buckdolts, K. J. Z. T.

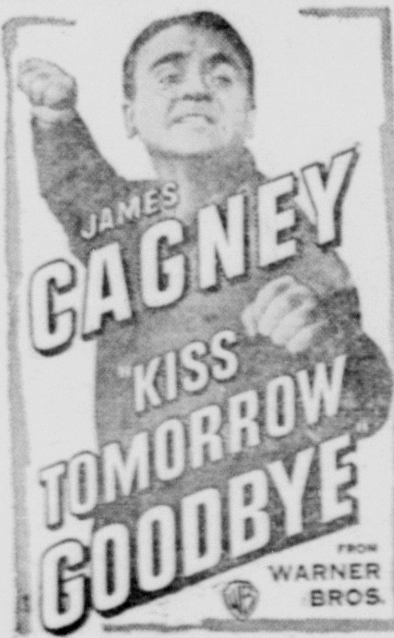

Plans and arrangements for the banquet to be held at the Simon-George Memorial Hall on Sunday night October 8 were made.

The hostesses served chocolate cake and coffee after the business hour was completed.

PUBLISHER RETURNS

J. B. White, publisher of the Herald, returned Sunday from Houston where he spent 3 days in Herman Hospital under care of Dr. C. M. Crigler, Specialist, and has resumed his duties with this newspaper. Mr. White brings a very favorable report on his condition. He has been ill for about 9 months.

Mr. and Mrs. Julian Conner of Houston who are visiting Mr. and Mrs. R. M. Conner plan to attend the Baylor and University of Houston game at Waco Friday night.

HANES ACCEPTS SHIP
MEMENTOES TUESDAY

W. T. Hanes, Superintendent of Cameron Schools, accepted the log and badge of the Destroyer Cameron Tuesday night as follows.

Mr. Chairman, Distinguished Guests and Friends,

"On behalf of the present and future student bodies of the Cameron Public Schools, I proudly but humbly and gratefully accept these mementos from the representative of His Majesty's Government. To paraphrase Lincoln's famous Gettysburg statement, the world 'will little note nor long remember' the details which sent those 50 destroyers to the British Government, BUT THE WORLD WILL NEVER FORGET WHAT THOSE MEN, WOMEN, AND CHILDREN OF Britain did during those dark days of 1940-41.

"In order to refresh our memories, may I remind you that in return for those obsolete destroyers, the British Government gave us 99 year leases for air bases in the West Indies and Newfoundland which were worth far more in material value than the outmoded destroyers. In the negotiations for the destroyers, our government asked for assurance that in the event that England was defeated her Navy would not be surrendered to the enemy. It was during these negotiations that we began to learn of the determination of the British people as exemplified through their war time leader, Mr. Winston Churchill. The whole world knew that the enemy stood at the edge of the English Channel and the world could not see how England could survive. It was then that Mr. Churchill made those fighting remarks which cheered the entire civilized world. Among other things, he assured the world that, 'WE SHALL FIGHT on the beaches, in the streets, and in our yards, and although we may die, WE SHALL NEVER SURRENDER.' The transferring of the destroyers to Britain

was not altogether an unselfish affair on our part. If Britain went down, the enemy would be at our throats next; for the Dictators of the world both past and present envy the British and American people more than any other people on earth. We have something that they do not seem to be able to understand, and that is a philosophy of life which makes us feel that life is not worth living if it cannot be in Freedom. Three times within the past 33 years, men of Britain and of the United States have fought side by side on foreign soil against enemies of freedom loving peoples.

"During these past 33 years and because of our mutual sacrifices in the cause of individual freedom, we have come to love one another more and to appreciate the fact that after all we are brothers anyway. Most of the laws and customs of the American people have been handed down to us by our British ancestors. During the days when the American destroyers were being readied and delivered to Britain, the British people fought one of the most magnificent battles in the history of man. They were outnumbered and outgunned, but they held the enemy at bay and even sent him reeling backward. Then when their America brother were able to see that it was our fight too, and the wheels of the Arsenal of Democracy began to turn, it was no longer a question of COULD THE ENEMY BE DEFEATED, but only a question of how long?

"It was at this time that we began to see what Mr. Churchill meant when he said on one occasion while speaking to a city whose people had just taken an all night battering from the German Air Force, 'I see in your faces the spirit of an unconquer-

able people. I see a spirit bred in Freedom, nursed in a tradition which has come down to us through the centuries, and which will surely at this moment, this turning point in the history of the world, enable us to bear our part in such a way that none of our race come after us will have any reason to cast reproach upon their sires."

"Regardless of any of our political differences with them in the past or present, there are millions of us here in America who humbly say, 'Thank God For Britain during the crisis of 1940-41.'

And so, Sir, may I assure you, and through you the British Government, that these mementos mean far more to us here in Cameron than just a souvenir. They are symbols of the lasting friendship between our two governments and they will be cherished and kept by the present and succeeding student bodies of the Cameron Schools as a token of the time when a part of America went to Britain to serve for the cause of freedom as well as this present time when the great government of Britain took time out to send one of its distinguished officials to this tiny country town with mementos of the joint efforts of the two governments. They will henceforth become a part of the archives of our school and will be properly and proudly shown as we strive to learn of the heritage of our two peoples.

Mr. and Mrs. Mack Burton of Houston will spend the week end with Mr. and Mrs. R. M. Conner.

Miss Lynne Lewis has returned home after spending several days at St. Edwards Hospital and is much improved.

Roberta Hall, Veteran
Teacher Here Retires
After 40 Years Work

Roberta Hall, Cameron Colored school teacher, has retired after 41 years of teaching in Milam County. She taught 29 years in the O. J. Thomas School and had 12 years of previous experience in rural colored schools.

The O. J. Thomas School presented her with a silver serving tray set and many other tokens of appreciation. The Women's Club at the School presented her with \$40.00 in cash along with several bouquets of flowers.

The School Board complimented her with a number of awards. She said that if she could be of service of any kind to any of the school teachers, they may call on her at any time.

Mrs. A. L. Baker is visiting her sister in Austin this week.

Mr. and Mrs. Coleman Duncan and children and Mrs. Joe Fikes plan to spend the week end in Houston visiting Mrs. Duncan and Mrs. Fike's sisters and families, Mr. and Mrs. Brooks Brady and Mr. and Mrs. O. L. Hayes.

Sam Hohenstein spent a few days in Corpus Christi where he transacted business.

Holds Everything...on any hill!

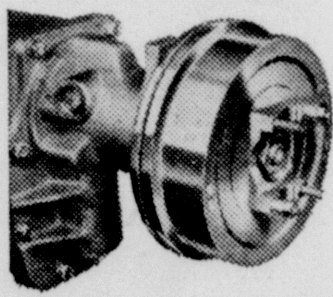

No matter how steep the grade... you can park your Chrysler and it won't roll. With Chrysler's new "Easi-Lock" Parking Brake you have three times ordinary braking power. Yet only one-third the effort is required to pull it on with your finger tips. Nothing you've ever used equals its ease and sureness. No straining—yet once it's on, nothing can budge your car. It's just

one more new advantage that puts Chrysler still further ahead in safety! Just one more good example of the built-in value all the way through that we believe will make you a Chrysler buyer for life. Come in today for the demonstration that will prove you can't beat Chrysler for extra money's worth through and through.

New Easi-Lock Parking Brake
...with 3 times ordinary braking power!

Amazing Chrysler engineering development. Only 1/3 the hand pull required. New internal expanding parking brake is self-energized to multiply effective braking power. Completely enclosed. Mounted on propeller shaft—Independent of wheel brakes—the safest, surest brake you've ever used.

See it—drive it...
there's built-in value
all the way through!

Chrysler Driving Advantages:

Fluid Drive... automatic gear shifting with exclusive car control High Compression Spitfire Engine... extra power at all speeds. Superfinished parts for longer life. Chemically treated cylinder walls for far greater wear! Waterproof Ignition System... prevents stalling in flood or storm. Full Flow Oil Filter keeps oil clean longer.

Chrysler Comfort Advantages:

Chair Height Seats... no crouching on the floor... Functional Design... room for your head, legs, shoulders. Easy to enter and leave. Center-arm Steering... minimizes road shock, wheel fight. Rubber Body Mountings... Floating Power... eliminate vibration, help give softest, smoothest ride in history.

Chrysler Safety Advantages:

"Easi-Lock" Hand Brake... holds car parked on any hill. Safety Rim Wheels... won't throw tires after blowouts at normal speeds. Constant Speed Windshield Wipers... electrically operated—won't slow down when you step on gas. Safe Guard Hydraulic Brakes... exclusive balanced brake power, smoother stops, less pedal pressure.

The Beautiful **CHRYSLER** with Fluid Drive

GREEN MOTOR CO. Corner Howell & 7th Street, Cameron

Wallace Colburn To Attend FFA Meeting In Kansas City

Wallace Colburn, Buckholts, Vice-President Texas Future Farmers, has announced that approximately 450 Future Farmers of Texas will be in attendance at the National Convention, Future Farmers of America, Kansas City, Missouri, October 9-12. Colburn was elected vice-president of the 39,000 Texas Future Farmers in a recent state convention held in San Antonio. He has been an outstanding Future Farmer under the supervision of Mr. Leroy Thompson, Cameron, vocational agriculture adviser, during his three years of Future Farmer work.

Texas has approximately 1-10 of the national enrollment of boys studying vocational agriculture in the high schools of this state with a total of 850 vo-ag teachers. Some 250 Future Farmers will travel by special train leaving Dallas October 8, immediately following Future Farmer Day at the State Fair of Texas. Mr. Vannoy Stewart, Austin, State Adviser, Texas Future Farmers, will be in charge of the group.

Mrs. Susie Butts of Maysfield is a guest in the home of her sister, Mrs. Eva Todd.

We Have Low Of 61 Degrees Here; Rainfall Is .22

The temperature dropped to 61 degrees Monday night when the cool front moved in and during the day the rainfall amounted to .22 inches, it was reported by L. W. Smith at the Water Department.

The highest temperature during the day was 80 degrees around 3 P. M.

During the past three weeks rain has fallen generally over the state and due to this fact cotton production has been retarded.

It was reported from several central Texas towns that many of the migratory laborers who have left for north Texas cotton fields, have returned to Milam and surrounding counties to pick cotton as the northern fields are not ready.

William P. Sweet of Cameron has been placed in the Runge Schools as coach, the Teacher Placement Bureau at Southwest Texas State Teachers College announced this week. The Bureau is a non-profit organization which serves to place graduates of Southwest Texas in public schools in Texas.

GOV. ALLAN SHIVERS of Texas congratulates Miss Virginia Hamilton of Dallas for being chosen as Miss Confederacy by Southern manufacturers sponsoring \$15,000 "What Dixie Means to Me" contest. The contest is part of a South-wide campaign to publicize the many advantages of living and working in the South.

MACARTHUR MARKS TRIUMPH IN SEOUL

TOKYO, Sept. 29—Gen. Douglas MacArthur accompanied President Syngman Rhee of the Korean Republic Friday on a triumphant parade back into the South Korean capital of Seoul.

Less than twenty-four hours after the United States Marines had gained control of all of Seoul, MacArthur brought Rhee back to the capital from which he was forced to flee on June 27, two days after the Communist invasion of his country.

The historic victory parade rolled into Seoul's rubble-strewn streets from Kimpo Airfield after MacArthur flew to Korea from Tokyo.

As the United Nations leaders entered the capital, United States Marines still patrolling the streets, seeking out the few remaining North Korean snipers holed up in the ruins of the city.

Only Thursday the United States forces crushed the last Communist resistance in Seoul and sent the Reds in headlong flight northward to Uijongbu, only eighteen miles south of the thirty-eighth parallel border of North Korea.

A South Korean Army operations

officer said Friday advance elements of the South Korean Army would reach the thirty-eighth parallel within the next twenty-four hours.

As the victory parade wound along the dusty road from the airfield, thousands of Communist throughout the rest of South Korea faced annihilation in the giant U. N. trap which was sprung just two weeks ago with the Marines' landing at Inchon.

MacArthur arrived at Kimpo airfield at 9:45 A. M. for the return to Seoul and a ceremony returning the South Korean capital to Rhee at noon. At the airport he was met by most of the top Army and Navy commanders in Korea.

Wildly cheering crowds greeted Rhee upon his return and surged around the palace grounds. During recent weeks the South Korean President has been living at Pusan.

While MacArthur flew to Kimpo in his plane, Scap, he sent his old plane, Bataan, to Pusan to pick up Rhee and United States Ambassador John J. Muccio and fly them to Seoul for the ceremonies.

There were scattered fighting against isolated pockets of North Koreans elsewhere as the South Koreans regained the capital which they lost just three months and two days ago. But American spearheads were ripping through the enemy, cutting the Red Army units to bits.

Milam County H. D. Clubs To Make Flags; To Observe U. S. Week

The twelve Milam County Home Demonstration Clubs will soon be playing the roles of the modern "Betsey Ross" by making United States Flags.

The groups plan to make one flag each week and seek the cooperation of the schools in the county to fly them during the United States Week in October.

The flags will have a sky blue back ground with a globe and a white wreath of peace in the center.

"Save The Children" Federation Outlines Needs In County

The Milam County Save the Children Federation Committee held its monthly meeting in the District Courtroom on Tuesday, September 20.

Mrs. Albert Horstmann presided and plans were made for the coming months. The group decided to discontinue the clothing center but made plans to continue with a clothing committee to provide clothing for needy children in the schools.

Mrs. J. R. Hillman, area director from Bryan discussed and outlined the various programs and projects sponsored by the Federation. Layettes provided through the Federation will be available in limited number for needy mothers recommended by the Health or Welfare Departments.

Mrs. Horstmann will serve as chairman for the clothing and layettes and will welcome gifts of good used clothing. A total of 17 schools in Milam County are being sponsored through the federation, which provided supplementary aid in lunch programs, playground equipment, school supplies and improvements of various kinds.

Last year a total of \$660.00 in cash, \$150.00 worth of library books and Christmas gifts estimated at \$500.00 was given to the sponsored schools in the county.

The Cameron Herald

October 5, 1950

A new plan, "The sponsored child," met with enthusiasm at the committee meeting and this plan is to give assistance to some child in need of aid to a boy or girl who needs help to for medicines, special diet, clothing or assist him or her with fees and supplies in School.

A Christmas committee will be appointed later to make dolls, collect toys and distribute them at Christmas time.

Members present were Mesdames Leona White, Mary Green, Bess Triggs, Albert Horstmann, J. R. Hillman and Hazel Mortimer.

The next meeting will be held on October 18.

PUBLISHER TO HOSPITAL

J. B. White, Publisher of this newspaper, left early Thursday for Houston where he will be under the care of a specialist a few days in Herman Hospital, returning in a few days. In the meantime publication responsibility will be entirely in the hands of others.

BIRTH ANNOUNCEMENT

Mr. and Mrs. James D. Dycus of Corpus Christi and formerly of Cameron are the proud parents of a son, Gary Lindsey born September 6, 1950 who weighed 8½ pounds. The mother will be remembered as the former Wilma McCall.

THIS WOMAN WEARS A HEARING AID

"Impossible!" you say! Where's the button? Where's the receiver? The answer is that there is no button or receiver in her ear, yet sound is transmitted with power and clarity. MILANO NEWS

Mrs. Clyde Pinkerton, recent bride was honored with a miscellaneous shower given by Miss Bettie Morgan at the home of Mrs. J. A. Williams Thursday evening, September 28.

The Williams home was beautifully decorated with fall flowers.

Miss Beavers presided at the brides book and registered approximately 40 guests.

A series of cheerful games were played, directed by Mrs. Pearl Williams with prizes going to the honoree.

The hostess served a dainty refreshment course of assorted cakes with sherbert punch.

Mrs. Pinkerton, before her marriage was Miss Nellie Jean Kirk. She received many lovely and useful gifts and thanked everyone in her own charming way.

Mrs. Buddie Burk of Austin is visiting Mrs. Lila Smith in Milano while her husband is being treated in McCloskey Hospital in Temple.

Miss Ora Peoples of Austin spent the week end at her home here.

Mr. and Mrs. Trammell and mother, Mrs. Wilson of Houston and Mr. and Mrs. Pinkerton of Temple attended the wedding of Miss Nellie Jean Kirk to Clyde Pinkerton Saturday evening.

Mrs. Collie Gerdes and two daughters of Caldwell visited relatives here the past week.

Relatives from Georgetown and Gause were visitors in the home of Mrs. Mary Peoples Saturday. Mrs. Peoples was recently injured in a car accident and is improving nicely.

Mrs. L. E. Ledbetter has returned to her home from a pleasant visit with her children at Natchez.

Mr. and Mrs. H. H. Pruett shopped in Waco Saturday.

Elbert Westbrook who had surgery at Scott and White Hospital in Temple is reported improving some.

Mrs. L. E. Ledbetter attended a meeting of the WSCS in Beaumont the past week.

Mr. and Mrs. J. E. White took their baby to a Baby specialist in Waco one day last week and friends are hoping it will be home much improved soon.

Teen Age Youth Is Sent to Orphanage On Theft Charges

Alton Weems, teen age Cameron boy who was charged with theft of money from a ticket booth at Yoe-man field last week, has been committed to an orphanage at Fairfield.

Judge W. A. Morrison in District Court sent the boy to the orphanage with the understanding that if he is not acceptable there he will be sent to the Reform School at Gatesville.

Cecil Baker and Bobby D. Martin both held in connection with the theft, according to Sheriff Black, have been paroled to their parents.

Mrs. Dorothy Stefiuk who had an appendectomy at St. Edward Hospital Sunday is reported improving nicely.

Mrs. L. C. Cammer recently returned from Houston after spending a few days with her children.

SAND GROVE NEWS

By MRS. CURTIS JACKSON

The Sand Grove Church of Christ had a very good attendance last Sunday and enjoyed the lesson taught by J. L. Devere. Everyone is invited to attend this Sunday at 2:00 P. M.

Bill Ramsey of Pasadena spent the past week end in the home of his wife's parents, Mr. and Mrs. Curtis Jackson. Mrs. Ramsey and children have been in their home for some time while she was recuperating from a major operation performed some time ago. Mr. and Mrs. Ramsey returned to Pasadena Sunday afternoon, but the children, Sandra and Jearmie, are staying with their grandparents.

Curtis Jackson, Simon Hensley and Bill Ramsey visited in the Louie Watson home Sunday morning.

Mr. and Mrs. I. H. Warren have as their guest their daughter, Wanda of Galveston.

Mrs. Cleber McNeill and son of Brenham spent last week end in the home of their parents, Mr. and Mrs. A. D. McNeill.

Mr. and Mrs. W. A. Ramsey and daughters of Pasadena and Mr. and Mrs. Curtis Jackson were visitors in the O. A. Bankston home Saturday night.

Most of the farmers in this community are through gathering their crops, and many of them are going West to pull Bolls.

YARRELLTON NEWS

By MRS. LENA RUSSELL

Yarrellton church services begin at 7:00 P. M. each Sunday night and everyone is invited to attend.

Mrs. Will Osburn was a guest in the home of her brother, John Lott last Saturday night.

Mr. and Mrs. Bob Griswold and Walter attended the Singing Convention at Bryan last Sunday.

Mr. and Mrs. Leslie Wallace and granddaughter, Pat, visited in the home of Mr. and Mrs. Clarence Colburn Sunday afternoon.

Mr. and Mrs. Charles Russell, Bob and Loma visited in the J. H. Richerson home near Rosebud last Saturday night.

Mrs. Ed Boecker is ill at her home. Mr. and Mrs. Charlie Barrett of Corpus spent last week end with friends here.

Lee Lock of Sharp was given a surprise party last Sunday by Mr. and Mrs. W. R. Hopper of Houston; Mr. and Mrs. J. H. Richerson of Rosebud; Mr. and Mrs. Charles Russell and children of Yarrellton and Chilton Lock of Cameron. Everyone enjoyed a barbecued chicken dinner.

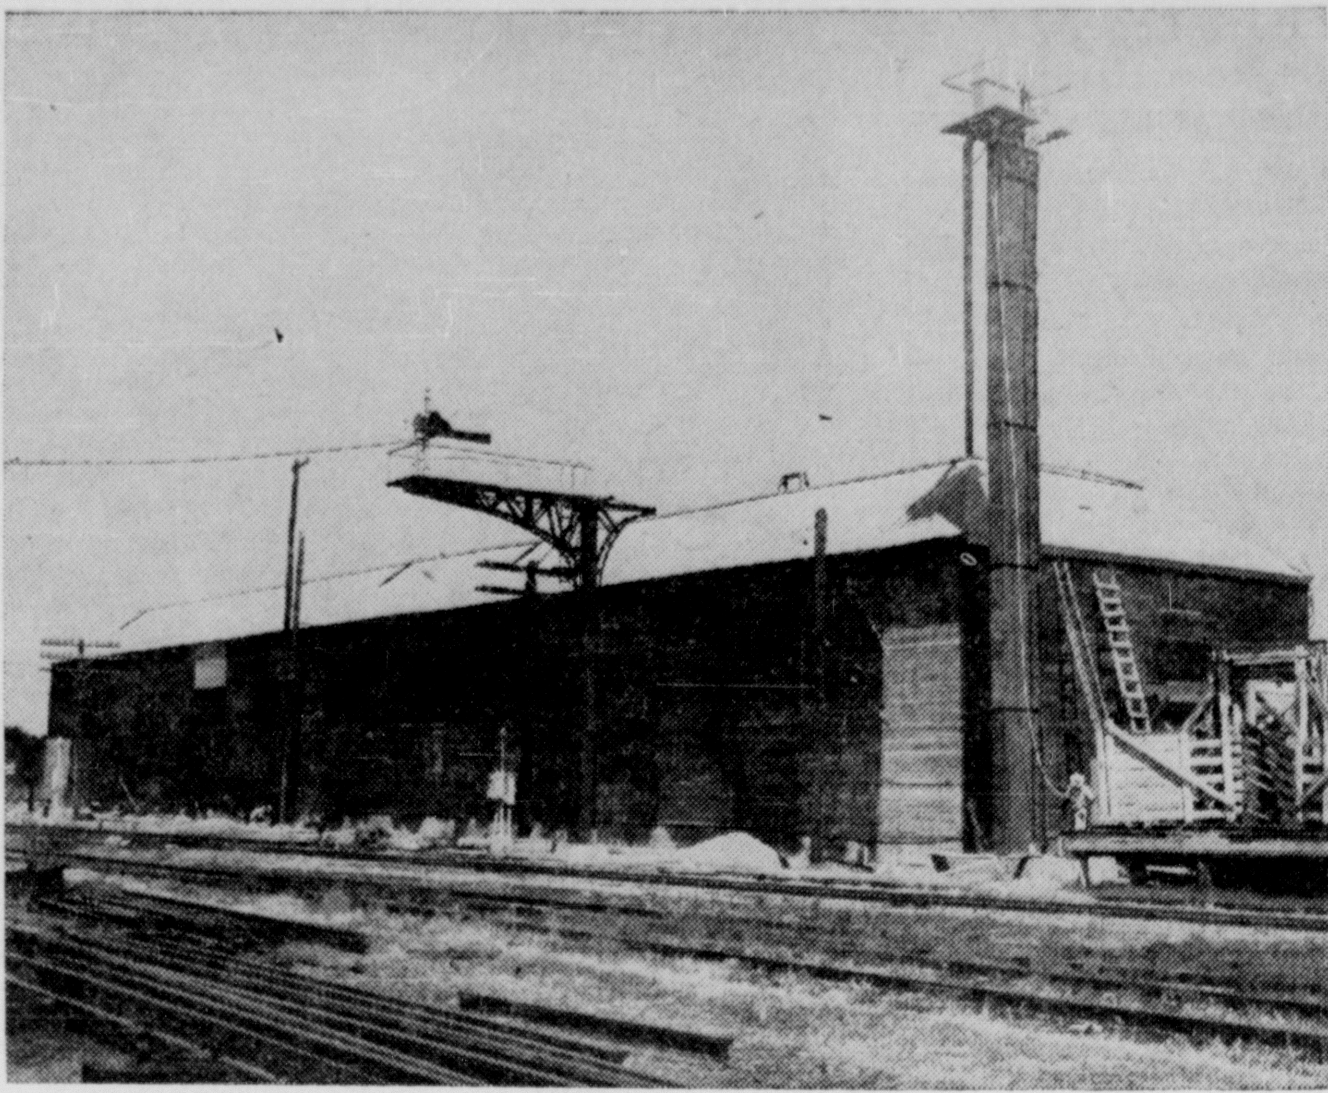

Mr. and Mrs. E. J. Provasek visited her grandmother, Mrs. Add Miller last Saturday.

Mr. and Mrs. Perry Armstrong visited Mrs. Sam Dobbs last Wednesday night.

Mrs. Jim Perkins returned to her home in Hearne last Saturday night after visiting her father, Ed McCall.

Miss Marion McCall of Fort Hood spent the week end with friends.

Bobby Bickett, son of Mr. and Mrs. Billy Bickett of Route 3, Cameron is a patient at Newton Hospital where he is suffering with an injured foot after falling off a horse.

GRAHAM WAREHOUSE located on the right-of-way of the Santa Fe Railroad is nearing completion. This warehouse is to be used in connection with the storage plan of the Department of Agriculture and already large quantities of grain are in storage and

under government loan. The building was erected by Gillis Graham and is being used by the government through the Productive Marketing Association of which Alva E. Sanders is director.

ARMY TO DRAFT MORE MEN WITHIN SIX MONTHS

WASHINGTON, Sept. 28—The Army Thursday announced plans to draft 300,000 men in the next six months.

This in addition to 50,000 summoned in September which was the first month of the draft program touched off by the Korean outbreak.

Previously, the Army had called on Selective Service to supply 120,000 men in October and November.

Thus the 300,000 to be inducted in the next six months represents an increase of 180,000 over the pending draft calls already announced.

It raises the Army's total draft program to 350,000.

September Rainfall 5.01 and Temperature High 97 Degrees

Rainfall for the month of September was 5.01 it was reported today by L. W. Smith, government observer at the city water plant.

The high temperature for the month was 97 degrees on the 10th and 16th and the low was 59 on September 8. The average high was 90.8 and the average low was 67.6. The following table will show the high and low for the past week.

Date	High	Low
Monday	88	61
Tuesday	83	61
Wednesday	85	65
Thursday	88	65
Friday	91	69
Saturday	91	70

Mrs. Henrietta Warren and children of Waco visited Mr. and Mrs. L. T. Warren and family over the week end.

JONES PRAIRIE NEWS

By MRS. S. S. HICKMAN

Mr. and Mrs. C. C. Story honored their daughter Kay with a birthday party last Saturday evening. After several games, Mrs. Storey served refreshments to approximately 60 guests. Kay received many beautiful gifts and thanked each in her own charming manner.

Last Sunday, the annual birthday dinner of barbecued chicken and all the trimmings was observed. Guests for this occasion were Mr. and Mrs. Niley Smith, Miss Billie Lundsford and other friends of Cameron, Mrs. Jerry Bleisenz of Calvert, Mr. and Mrs. J. H. McNeile and Miss Edna McKinney.

Mr. and Mrs. J. H. Burnett spent last Sunday with Mr. and Mrs. L. C. Boyd of Walkers Creek.

Mrs. Bill Thweatt and daughter, Joyce, visited Mr. and Mrs. Lou Childers of Freeport last week end.

Mrs. Stanley Ray and daughters, Barbara and Jane, have returned from a visit with her parents, Mr. and Mrs. Ernest Willson and her sister and family, Mr. and Mrs. John Moore of Longview.

Mr. and Mrs. Marvin Hickman visited Houston: shrdlu cmfwyp etaot ited her mother, Mrs. M. P. Carroll of Houston over last week end.

Mr. and Mrs. J. D. Martin had as their guests the past Wednesday evening, Mrs. Lula Gaines of Chilton, Mrs. Ethel Massengale of Maysfield, and Mr. and Mrs. J. H. Burnett. After a pleasant evening was spent, Mrs. Martin served refreshments of ice cream and cake.

Mr. and Mrs. Buford Glenn of Waco visited his mother, Mrs. I. R. Glenn last Sunday afternoon.

Mrs. Stanley Ray presented an interesting flannel graph story of "The Creation" at the general meeting of the B. T. U. last Sunday evening. B.T.U. officers were elected for the first quarter. They were:

President, Joe Bailey; Vice President, C. H. Massey; Secretary-Treasurer, Mrs. Carlton Crook; Group Captains, E. B. Yager, and J. D. Martin, and Bible Quiz leader, Miss Evelyn Harrell.

Baramore Jones of Corpus Christi visited Mr. and Mrs. Robert Glenn and Mr. and Mrs. Bailey Jones during the latter part of last week.

Frank Fazel, Highway Patrolman of Tyler, was a business visitor in Jones Prairie Thursday. Mr. Fazel is a former resident of this community.

Miss Edna McKinney and Mrs. T. B. Stidham were elected to select style and type of new collection plates for the church.

Delegates to attend the general annual association of the First Baptist Church in Rockdale to be held October 10 were elected at the local church Sunday. They were Miss Ethel McKinney, Mrs. J. A. Jamison and E. B. Yager; Alternates, Mrs. S. M. Harrell, Mrs. S. S. Hickman, and Miss Evelyn Harrell.

Mrs. J. T. White and Miss Clara Ockers of Rosebud were Sunday afternoon guests of Mr. and Mrs. Carlton Crook.

Mr. and Mrs. Thomas Yager and daughters, Pamela and Jeanne of Houston, visited her parents, Mr. and Mrs. E. B. Yager Wednesday and Thursday of last week.

Mr. and Mrs. Dick Young and children, Barbara Jo, Margaret and Paul, Mrs. S. M. Harrell and Miss Evelyn Harrell made a trip to Fayetteville, Arkansas last Sunday.

Mr. and Mrs. Jack Pond have received word from their son, Seaman 1-c Stephen Pond, that he had landed in Korea. He enlisted in the Navy in May.

MRS. LENA WISE DIED IN AUSTIN MONDAY

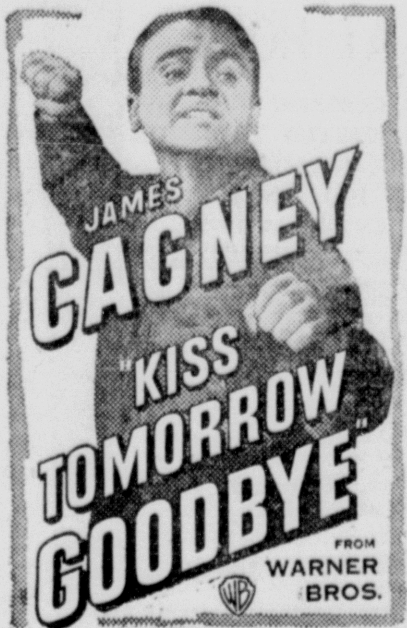

(From the Daily)

Mrs. Lena Wise, pioneer Milam County woman who has been critically ill for months, died in an Austin hospital early Monday morning.

Mrs. Wise for many years lived at Maysfield and was at one time a resident of Ber Arnold.

She was confined to a hospital in Cameron for several months and early in the summer was taken to Austin. Mrs. Wise was widely known in this county and was a member of a pioneer family.

The body was due to arrive late Monday at Greens Funeral Home where funeral arrangements were to be announced Tuesday.

HOUSING LOANS—
(Continued from page one)

These loans are made repayable over a period of 5 to 33 years depending upon the repayment ability of the farmer. The interest is 4 percent.

This program is making progress in Milam County, and five such loans have been made to date to eligible Milam County landowners, totaling \$23,100.00. Mr. Wright said that a great need for better farm housing exists in the County and that this program will serve a large number of farmers in need of better housing.

The first loan made in the County was to Hubert D. Youngblood of Route 1, Rockdale, who has a Grade A dairy farm. The Youngbloods have completed their new home and moved in recently. The home is a 3 bedroom home, modern in every detail. Four other homes belonging to Ned N. Culp of San Gabriel, Larry Gore of Minerva, Nolan P. Doss, Route 1, Rockdale and Oris C. Partridge of Gause are under construction and will be complete in the near future.

Mr. Wright further stated that three housing loans have been closed in Burleson County for which the local FHA office is responsible, bringing the total to eight housing loans for a total of \$43,600.00, all of which have been closed since May 5, 1950.

A former Schreiner Institute player, the 200 pound guard will be in action against Howard Payne College in Brownwood Saturday night.

Temple Makes Deal For Raise In Phone Rates

TEMPLE, Texas, Sept. 28—In a 5½ hour session the Temple city commission and the Southwestern Bell Telephone Company compromised on the company's request for a rate increase.

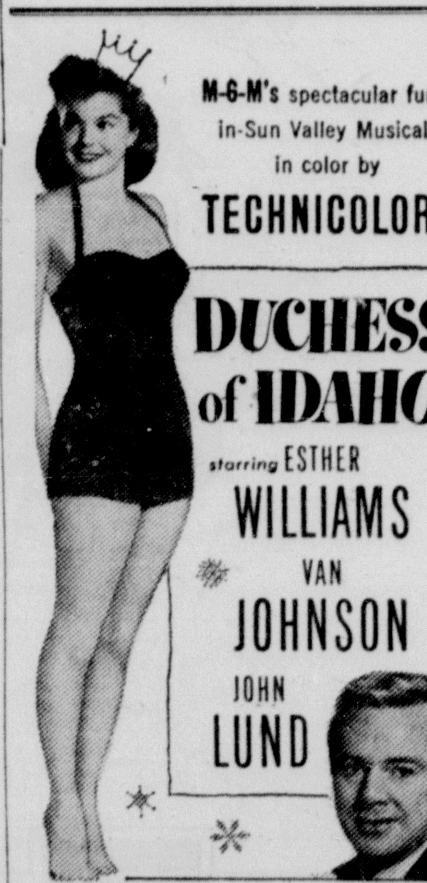

The two parties agreed on an increase which will give the company a 5 per cent return in its present investment in Temple. This figures about a 34 per cent over all rate increase.

The company agreed to carry out its proposed \$996,000 expansion program in the city with most of it being spent in 1950-51 to add 2,400 more telephone connections.

The company was represented at the meeting by C. S. Patton, general counsel for the company from Dallas; A. D. Griesedieck, superintending accountant, also of Dallas and I. W. Davis of Austin.

Conservation Program Should Continue To Safeguard Our Soil

According to Paul C. Graves, Chairman of the Milam County PMA Committee, the Agriculture Conservation Program was established to assure continued production from the land and not as a means of distributing funds to farmers. Its primary purpose is to safeguard the ability of our land to produce the food and fiber needed by the present population of 150 million people and possibly double that number within the life span of people now living.

As the chairman sees it, the protection of freedom from poverty and want, which would follow a wasting of soil and water resources, is basic to the preservation of all other freedoms.

The program is necessary, he explains, because often it does not appear to the farmer's direct advantage to do the things which will safeguard the future food supplies. Using up as quickly as possible the minerals essential to plant growth may often seem to provide the greatest short

The Cameron Herald October 5, 1950

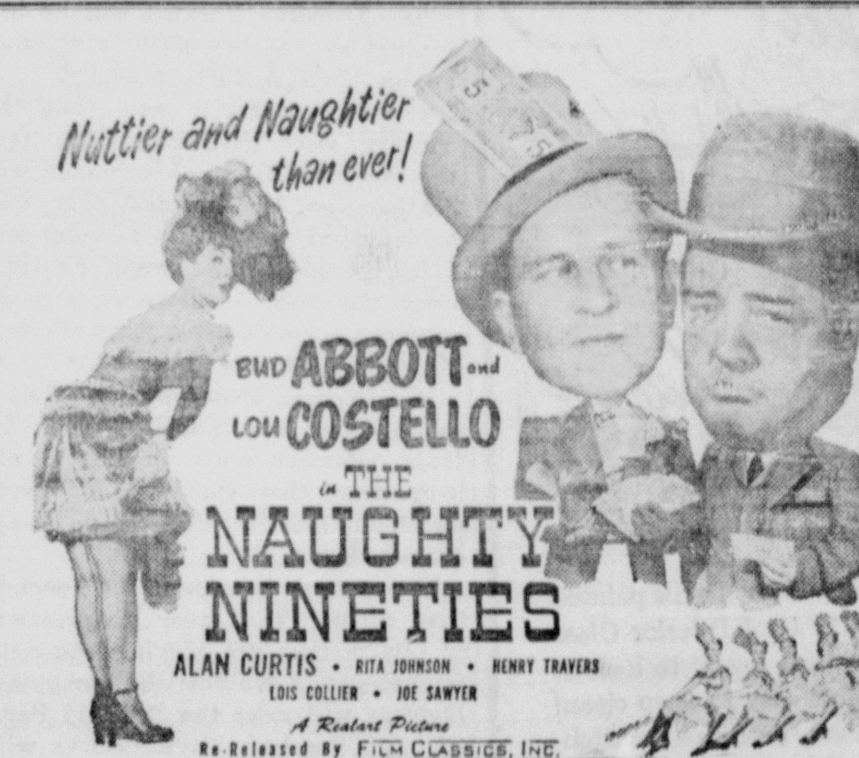

time gain to the individual farmer. As the chairman expresses it, "under our form of government we do not require farmers to build terraces seed grasses and legumes or plant trees, but we have found a way to get these things done through the ACP. It is essentially a means of protecting the interests of each individual and of future generations who will depend on limited land for food and fiber.

"If our land is to continue to produce enough, it is necessary that our farmers carry out essential soil and water conservation practices. Through the ACP, we have found a way of providing assistance to individual farmers to aid them in carrying out these practices. It is the most efficient, economical and effective method yet found of getting the job done," he said.

Mr. and Mrs. R. M. Conner visited in the home of Mr. and Mrs. Bunce Henry at Marlow Sunday.

1951 HENRY J CAR TO BE SHOWN HERE FRIDAY

(From the Daily)

The new 1951 Henry J Automobile will be in display for all to see at the showroom of the Maysfield Mercantile Company on the Waco Highway Friday September 29, it has been announced by J. C. Freeman, owner of the Maysfield Mercantile Company.

This new, smart and thrifty car that all America is talking about will be shown from 9:30 A. M. 'til 9:00 P. M. and all new 1951 models will be on display.

Advent of the Henry J marks the first full scale challenge in the vast low priced auto market in nearly a quarter of a century. Low initial cost plus exceptional operating economy and performance are the 1-2-3 features of the all-new 1951 Henry J Models.

K-F has released specifications and test results with an invitation to the public to compare Henry J styling, performance and comfort with all other makes of automobiles.

Arrival of the Henry J marks Kaiser-Frazer's first challenge in the low price auto market. In its first four years of full production, the company has produced approximately 500,000 luxury and popular priced models, including 1951 models which have been in productions since last spring.

Mr. Freeman extends an invitation to the public to visit his showrooms on September 29 and see this new low price car.

Yoemen Idle Tonight; Play Masonic Home Here Next Friday

The Cameron Yoemen will be idle tonight as an open date is scheduled on their football calendar.

Coach Paul Smith said that the Yoemen were getting a little rest this week but thorough workouts will continue on Monday and they will be drilled vigorously on running and defensive plays next week, as they meet the Masonic home in a non-conference game here next Friday night, October 6th.

Dick Young, line coach, is giving the Yoemen the finishing touch in their defensive plays and from all indications, they should be an even match for the Masonic team and may defeat them.

There are no injuries on the Yoemen first string. The other five teams of this district are playing non-conference games tonight; the Lampasas Badgers will meet the Rosebud Panthers at Rosebud; Taylor Ducks will play Lockhart in Taylor; San Saba Armadillos will meet Killeen in Killeen; Burnett will journey to Georgetown where they will meet the Eagles on their field and the Belton Tigers will play Marlin in Marlin.

The O. J. Thomas High School Bulldogs will meet the Black Shear High School Bears tonight in their first conference game of the season at the Yoe High School athletic field at 8:00 P. M.

The Bulldogs expect to take this game and go through the season with the best team since 1945.

Hugh Wimberly of Milano was a business visitor here one day this week.

Mrs. John H. Brantley and Mrs. Tom Harris spent Sunday in the Elza Harris home in Bryan.

Entertained Tuesday Night After Ceremonies British Naval Attache

Mrs. Monroe Corbin and Mrs. B. J. Vaculin entertained Mr. Holmes, British Naval Attache at the home of Mrs. Corbin after the ceremonies of the presentation of the log of the "HMS Cameron" Tuesday night.

Mrs. Corbin and Mrs. Vaculin are both natives of Great Britain and they had a wonderful time discussing and comparing the American and British ways of living. Mrs. Vaculin said that all the conveniences and modern home appliances are much more reasonable in this country than in Great Britain as only the nobility can afford such things as refrigerators, good automobiles, washing machines and other modern conveniences. Mrs. Vaculin also said that Mr. Holmes liked it very much in America but would have to return to Britain sometime after the first of the year.

Refreshments were served to Mr. and Mrs. Corbin and son Terry, Mr. and Mrs. B. J. Vaculin and son Philip, and Mr. Holmes.

Alton Fuchs, son of Mr. and Mrs. Leo Fuchs, and Ronald Hudson, son of Mr. and Mrs. C. W. Hudson, were visitors in Cameron last week end. Both are students at A. & M.

Georgetown and Belton Win In Non-District Games Friday Night

The Cameron Yoemen were idle Friday night but the other five teams in this district played non-conference games.

The Georgetown Eagles, picked by many to win the championship in this district, scored in every quarter of the game Friday night as they defeated the Burnet Bulldogs 57-6. Burnett's lone score came on a kickoff and sped all the way for the score.

The Belton Tigers journeyed to Marlin and brought home the bacon with a triumph of 19-13. The Tigers scored in the first five minutes of play with Boren going over from the three yard line. The Marlin team came right back to score and add the extra point. After the next touchdown the Tigers were able to hold their lead and held the Marlin team several times when they were knocking at the goal line.

The Taylor Ducks hopes for an undefeated season were shattered as the Lockhart Lions gave them a beating of 33-13 in Taylor.

Passes along with a good running attack made it easy for the Lions to score. Taylor tied the count in the third quarter 13-13 but the Lions opened up in the final quarter and scored two touchdowns.

The Killeen Kangaroos outgained

the San Saba team on the ground but failed to click in the air and lost to the Armadillos, 16-9. It was a hard fought battle and during the first quarter the Armadillos scored 9 points on a touchdown and a safety.

Not until late in the third quarter did the Kangaroos score as Herschel Roach bucked the middle of the line for the score. Stubblefield added the extra point.

In the fading minutes of the game the Armadillos recovered a fumble and scored again.

The Rosebud Panthers lost to the Lampasas Badgers in Rosebud last night by a score of 32-7, in another non-district game. The Badgers scored in the first quarter to take a 7-0 lead and did not score again until

the third quarter when they scored on a 70 yard march.

The Panthers tally came when Zepherlin passed from his own 5 yard line to Ellison who took it on his 30 and raced for the score. The extra point was good.

On the kickoff Chaney took the ball on his 15 and pranced 85 yards for the tally. The Badgers added another score in the final minutes of play.

Mr. and Mrs. Frank Kleiber of Cameron, and Emil Kleiber of Temple spent the past Sunday visiting Emil Kovar who is a patient at the Veterans Hospital in Houston. They also visited the San Jacinto Monument, the Battle Ship Texas and many other points of interest.

Mrs. Gus Evans Hostess To Good Cheer Club

Mrs. Gus Evans entertained the Good Cheer Club at her home on North Central last Friday afternoon. Fall flowers were used at points throughout the house for decorations. Mesdames Roy Griffith, E. S. Freeman and Lacy Wills were presented bud vases filled with flowers as table cuts. Charlotte Collins, granddaughter of Mrs. Evans assisted the hostess in serving ice cream and Angel food cake.

Gerry Kolodjak Honored On Eighth Birthday with Party

Miss Gerry Kolodjak, daughter of Mr. and Mrs. F. R. Kolodjak of Route 1, Cameron was honored on her eighth birthday with a party at the City park Sunday afternoon, September 17.

Marie Ellen Zarosky, Ray Wohleb, Jr., Joe and Gloria Mayer, Ladis, Jimmie, Dorothy, Martha and Irene Mayer, Eddie Pavalek, Rudolph My-Mona and Dusty Mauldin, Catherine Absnider, James Anderle, Jerry and Paula Zolt, Albert Hoelscher, Mary, Rosie Albina and Beatrice Kolodjak were guests present for the happy occasion.

Following a series of games refreshments consisting of ice cream, cake and punch were served. Each child received a miniature favor. Gerry received many very beautiful and useful gifts and thanked everyone in her charming manner.

Miss Mullinax Hostess At Entertainment

Miss Betty Jo Mullinax was hostess to a party and scavenger hunt at the home of her grandmother, Mrs. Beulah C. Mullinax Wednesday evening.

Following the Scavenger hunt Miss Mullinax directed a series of spirited games.

The hostess assisted by her grandmother and Mrs. B. C. Caldwell served a refreshment course of soft drinks and cookies to the following: Betty Holloway, Margaret Mitchell, Jo Ann Carter, Dorothy Gaines, Shirley Mullinax, Bon L. Harris, Jeanette Hairgrove, Patsy Gill, Bonnie Gill, Nora Price, Bill Fuller, Dorothy Malone, Peggy Malone, Joyce Pate, Harold Kornegay, Pete Tindall, Preston Reichert, Earl Johnson, J. W. Beale, Bobby Stanislaw, Bartley Brady, Leroy Sanders, Phillip McCall, Charles Eanes, Johnny Jo Balcar, George Bryan, Edsel Burnett, Hardie Malone, Stanley Pratt, Marvin Allen, Jimmy Price, Herbert Sims, John Dean Crow, Tommy Davis, Walter Ray Shoaf, Leon Tucker, Mary oldejck, Kenneth Harbor, Gloria Harbor, Patsy Mullinax, Sissy Tindall, Dean Caldwell, Kenneth Caldwell and Mr. and Mrs. H. L. Harris.

History Club Meets With Mrs. K. Robbins

Mrs. K. K. Robbins was hostess at the first meeting of the current season of the Cameron History Club at her home Tuesday afternoon, September 26.

In the absence of Mrs. Wells Smith, President, Mrs. Elber Flinn presided at the meeting.

Miss Winnie Henderson, chairman of the year book committee, discussed the year's study and mentioned the various subjects to be studied in the club and told something about each program planned, were assigned his program planned, and topics with which members will answer roll call for the year, were assigned.

In this way the club is kept informed of news and brief discussions of interior decorating, art, medicine, education, books, fashions and cookery.

Guests of the club were Mrs. Jack Newton and daughter Kathy who are visiting Mrs. Robbins.

Arrangements of queen's wreath and roses were used for decorating the rooms.

Mrs. Stanley Swift and Mrs. Newton assisted Mrs. Robbins in serving a salad course and refreshing drink.

Cameron Clubs Are Hostess To Visiting Club Women

The Delphian Club and the Pleasure and Profit Club were hostesses to club women representing the Fourth District of the Texas Federations on Thursday September 28.

Opening session of the institute was held in the Cameron Theater with Mrs. W. C. Freeman, president of the Delphian Club, welcoming the Clubs and introducing the visiting officials.

The program was conducted by Mrs. H. B. Gillette, State Program Officer, and Mrs. A. T. Carleton, president of the Fourth District.

Mrs. Judd Collier of Munford, State Safety Chairman, assisted Mrs. Gillette and Mrs. Carleton in carrying out the program.

Mrs. W. A. Morrison for the pleasure and profit Club registered the guests.

Mrs. W. J. Donovan headed the arrangement committee. Luncheon was served by the WSCS in the fellowship hall of the first Methodist Church and Mrs. Mark Magers, accompanied by Miss Shirley Horstmann, sang and lead the group in the singing of a number of songs.

Mrs. Collier explained the importance of federation and how cooperation through the women's clubs could aid the promotion of it's purpose. The meeting adjourned at 2 P. M.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. S. R. Fuller of Cameron announce the engagement and approaching marriage of their daughter, Aileen to George Kogan, Jr., son of Mr. and Mrs. George Kogan, Sr., of Fort Worth. The wedding will take place October 4, in Dallas, Texas.

MISS MARGIE HRACHOVY
ENGAGEMENT ANNOUNCED

Mr. and Mrs. Charles Hrachovy announce the engagement and approaching marriage of their daughter, Margie to Johnnie Ondreas, son of Mr. and Mrs. John Ondreas of Damon, Texas.

The wedding will take place at the home of Mr. and Mrs. Ondreas on Sunday, October 8.

Miss Edith York Is Bride of Mr. La Cook

Miss Edith York, daughter of Mr. and Mrs. D. C. York and John Thomas LaCook, son of Mrs. Zelma LaCook of Cameron were married at 1:30 p. m. Saturday, September 30. Rev. P. L. Capetron read the double ring ceremony in the presence of a few close friends of the couple at his home.

The bride was attired in a navy blue suit with white blouse and navy accessories. She wore a white corsage of gardenias.

Following the wedding the couple left for a trip to Austin and other places of interest.

Mrs. La Cook is a graduate of Yoe High School and was employed with the Duke & Ayres store in Cameron before her marriage.

Mr. LaCook is employed with the American Desk Manufacturing Co. in Temple. He recently operated a floor finishing business in Cameron.

The couple will make their home in Cameron.

Mrs. Vince Lesikar Hostess to Club

Mrs. Vince Lesikar recently entertained the 42 leisure Club at the home of her daughter, Mrs. William Kubes.

Visitors for the evening were Mrs. Olga Marek and Mrs. Ondrej.

After the games, the 84 prizes went to Mrs. Leo Laake. Mrs. John Matyastik had the high score and the second high went to Mrs. P. Bergum. Table cuts went to Mrs. Ted Kuehl, Mrs. Will Ondrej and to Mrs. August Kunz.

Miss Correne Massey was a guest of her grandparents, Mr. and Mrs. J. T. Swanzy at Ben Arnold over the week end.

Wedding Vows Said In Church Ceremony.

A very beautiful and impressive double-ring ceremony at the Milano Baptist Church Saturday evening at 8 o'clock, united in marriage Miss Nellie Jean Kirk and Clyde Gillis Pinkerton. The bride is the daughter of Mrs. Annie Mae Kirk and a graduate of Milano High School. The groom is the son of Woodye Pinkerton who is located in Japan and a nephew of Mrs. Pearl Williams of Milano.

Miss Joann Kirk, sister of the bride, and Miss Dot White, were attractively clad in white blouses and blue skirts, with corsages of bright astors led the bridal procession by marching in from the front entrance, and lighted the candles. They took their places on either side of the altar, which was appropriately decorated with colorful fall flowers, greenery, and gladiola.

Mrs. M. A. Sanderford of Somerville sang "Always" accompanied at the piano by Mr. Steele also of Somerville.

Miss Bennie Pinkerton, maid of honor, fitted beautifully into the wedding party clad in a grey suit and black accessories. Her corsage was a pink aster.

The bride who was given in marriage by her brother Tommie Kirk of Cameron, was very attractive. She wore a light grey suit, a light blue nylon blouse, a small black hat with shoes to match. She carried a small white prayer book covered with pink corsage and flowing white satin streamers.

Roy Richards of Little River was best man. Rev. Sanderford, one time pastor of Milano Baptist Church and much beloved by the couple performed

the ceremony in his own impressive fashion.

Mrs. Ora Timmons of Milano then took her place at the piano and played the traditional wedding march. Immediately after the ceremony a reception was held in the Williams home where many of their friends gathered. Misses Betty Morgan and Joar Beavers served punch and Mrs. Ora Timmons served the wedding cake.

Soon after the reception the young couple left for a week-end at Buchanan Dam and Longhorn Cavern. They will make their home in Milano. They have many friends who wish them a long and prosperous life.

INTRODUCING

James Pinkney Harwell, Jr., eight pound, twelve ounce son born to Mr. and Mrs. James Harwell of Dallas at Newton Hospital September 27. The mother is the former Mary Ann Glenn. Grandparents are Mr. and Mrs. Robert Glenn of Cameron.

Mary Nell Todd, daughter of Mr. and Mrs. J. T. Todd of Gause has returned home after spending several days at Newton Hospital as a medical patient.

A REAL Cutter-Upper!

MCCORMICK-DEERING Stalk Cutter

It's a real problem to prepare good seedbeds when big, husky stalks of corn or cotton remain standing in the field. The best solution is to cut the stalks with a McCormick-Deering Stalk Cutter. They can then be plowed under cleanly or worked into the soil with a disk harrow. This sturdy, tractor-drawn cutter does a real job and does it in a hurry. Thirty acres of tough cutting a day is nothing unusual. The machine has plenty of weight to cut through the heaviest stalks and ample strength to stand up under fast working speeds.

Stop in and examine the McCormick-Deering Stalk Cutter the next time you are in town. We think you will agree that it's a real cutter-upper.

Good Cutting Requires Weight and Speed

Marjorie Denson To Be Featured In Style Show At Baylor

Miss Marjorie Denson, Baylor University coed from Cameron, has been selected as a model for the Annual Delta Alpha Pi Style preview. The style show, which is sponsored by a Waco store, will feature casual campus clothes, date dresses, suits, furs, formals, and clothes for dormitory wear.

Miss Denson is the daughter of Mr. and Mrs. Joe C. Denson, 529 E. 21st street, Cameron. She is a senior student in Baylor majoring in Education and Speech. She is a member of Delta Alpha Pi, women's social organization; and Southern Speech Association.

Misses Evelyn Kotrola and Clara Reimer of Snyder recently spent the week end in Cameron visiting relatives and friends. They are employed with the Snyder Hospital and Clinic.

Dr. David Shapiro Discusses "ACTH" At Nurses Meeting Here

The Registered Nurses Association of Cameron and Rockdale met at their regular monthly meeting Tuesday night, September 26th in the club room at the Milam Coffee Shop. Dr. David Shapiro, local doctor, gave an interesting lecture on the new drug, "Acth."

Dr. Shapiro pointed out in his talk how this new medicine reacts on patients and on certain diseases and how this new medicine is taking the place of other drugs that has been used in the past years.

A general discussion was held by all the nurses after his talk, and refreshments were served.

Mrs. Jessie Leonard of Fort Worth has moved to Cameron to make her home with her daughter and family, Mr. and Mrs. Roy Esslinger.

U. S. TO END ALL COTTON CONTROL

WASHINGTON, Sept. 28.—Cotton growers may get a "sky's the limit" signal next year.

Agriculture Department officials have decided that there will be no marketing quotas on the 1951 crop and they lean heavily toward grower proposals that acreage planting allotments also be dropped.

Lifting of restrictions was seen as a move to refill nearly empty warehouses. Formal announcement of next year's program may be made in a day or so.

This year's crop was produced under rigid marketing quotas and acreage allotments. It turned out to be much smaller than the Government expected and supplies became tight. Exports are being limited, but there still may be a shortage of some grades before the 1951 crop is harvested.

A year ago the Government had upwards of one billion invested in extra supplies stored under price support and there was a threat of a topheavy surplus.

The demand for cotton has been greater than expected.

This year's planting allotment was about 21,500,000 bales.

5 Cases For Second Offense Drunk Driving Are Set For Trial

Four white men and one Mexican under indictment by a Grand jury in District Court will face trial here October 23 on charges of Driving an automobile while drunk, second offenses.

A penalty of from 1 to 3 years in the penitentiary may be assessed upon conviction for driving an automobile while drunk in case of a second offense it was said here By County Attorney, Ed Gunn.

Judge Dan Tyson in County Court has refused to permit pleas of guilty when second offenses are involved in a case of drunk driving. Such cases are referred to the County Attorney for presentation to the Grand Jury.

Under indictment are: Joe Wendell Grabener of San Angelo, Joe S. Pena, Austin; Ralph Hubert, Minerva; Homer Grady Jones, Corsicana and J. E. Whitley of Cameron.

Hubert, Jones and Whitley have retained counsel, it was said by the County Attorney.

Noble Small of Oklahoma City is visiting his mother, Mrs. Ruby Small here. Mr. Small was recently called into the service and will report for duty soon.

DELEGATION TOLD STATE WILL DO WORK HERE

Highway 36 leading from South Crockett through Santa Fe Town to the city limits will be re-topped, it was said here Wednesday by L. Van Perkins, a member of the City Council.

Commissioners Court has not been advised of this proposed new construction.

A delegation has just returned from Bryan where they consulted District Engineer, J. E. Blair and Mr. Perkins said work on re-topping the old highway 36 would get underway soon as equipment can be released on road work at Thorndale.

Others in the delegation were: E. A. Perrin, L. G. Smith and A. W. McCullin.

Some years ago the City Council built curbing along the rightofway west from South Crockett but the Highway Department never got around to re-topping the highway.

In the meantime a new survey was made on Highway 36 and a new route announced.

For a long time individuals here tried to persuade the Highway Department to run Highway 36 and 190 over the old route but the commission declined to do so. It was not thought here that the re-topping would be offered as a substitute for the new right-of-way, although the city has been more or less floundering for a year.

If the new right-of-way cannot be obtained there will be no construction west to the Bell County line.

Mr. Perkins said re-topping Highway 36 from South Crockett to the city limits is an effort to serve a section of the city needing a better outlet and everyone will agree this and other streets should have been built years ago and if the Highway Department will now resurface this highway it would indicate it may not have abandoned the old right-of-way and cannot do so until a new highway can be built.

To leave this road in its present state for an indefinite time would be to jeopardize traffic through the city.

Clint Lewis of Caldwell was in Cameron Friday on business. He was nominated for County Judge of Burleson County in the last July primary and friends here will be glad to know of his triumph at the polls. He is a former sheriff of that county.

Mr. and Mrs. Junior Smith of Ft. Worth visited relatives in Cameron over the week end.

The Cameron Herald

Annual Family Night Held At Presbyterian Church Wednesday

The congregation of the First Presbyterian Church held its annual family night and fellowship supper in the basement of the church, Wednesday night September 27, at 7:00 P. M.

Charles Terry, superintendent of the Sunday School was in charge of the program and introduced Mrs. K. K. Robbins who reviewed the book, "Beside the Hearthstone," by Dr. Robert A. Lapsley Jr.

Mr. Terry gave an appropriate talk on friendship and fellowship among members of the church and pointed out the importance of fellowship in church organizations. There were about 115 present for this occasion and a delicious supper was served prior to the program.

The church plans to have these fellowship suppers more often.

Mr. and Mrs. Joe Denson, Mr. and Mrs. George McGee and Mr. and Mrs. Wells Smith visited the new Baptist Orphans Home at Roundrock Sunday.

John Thomas LaCook, Mrs. Zelma LaCook and Miss Edith York visited Mrs. LaCook's brother who is a patient in McClosky Hospital in Temple Sunday afternoon.

MRS. LENA WISE RITES HELD AT MAYSFIELD

Funeral services for Mrs. Lena Wise, pioneer Milam County woman, were held at the Presbyterian Church at Maysfield, 3 p. m. Tuesday, October 3 with Rev. P. L. Caperton, conducting.

Mrs. Wise who had been ill for several months died in an Austin Hospital early Monday morning. She was born in Chambers County, Alabama and moved to Texas when a young girl and was a resident of the Maysfield community the major portion of her life. She was the widow of the late R. E. Wise. She was a lifelong member of the Baptist Church.

Survivors are: two brothers, Woodson Allen of Texarkana and Carl L. Allen of Marlin; three sisters, Mrs. Emma Lou McLendon of Ben Arnold, Mrs. Susie Sanders of Ophelia, Alabama, and Mrs. N. O. Kennedy of Corpus Christi; three sons, Jesse P. Wise of Maysfield, Luther Wise of Seadrift and Collas Wise of Yoakum.

Interment was made in Little River Cemetery with Green's Funeral Home directing arrangements.

Pallbearers were: Roy Newton, William Freeman, Doc Thweatt, H. L. Yager and Valter White.

H. H. Clubs Make Plans For Coming Year

The Yearbook Committee, composed of the Council Yearbook Chairman and the yearbook chairman of each of the twelve Milam County Home Demonstration Clubs, met in the H. D. Agents office at 1:30 P. M. on Monday September 18, to make plans for program materials and book arrangements for the year.

A Committee was appointed to contact printers to secure bids on the book making, and a committee was chosen to work on a plan of financing the project.

Suggestions of program materials and demonstrations for club work from each club was submitted. These were read, discussed and selected as program material in accordance to prominence and suitability to Home Demonstration Club work.

Cub Scouts Receive Awards Tuesday

Cub Scout Pack No. 213 held its regular monthly meeting Tuesday night September 26 in the basement of the First Presbyterian Church at 7 P. M. it was announced by Emory Camp, Cub Master.

During the meeting awards of Rank and accomplishments were presented and a large number of scouts received promotions.

Harry Hahn, field executive of the Heart O Texas Council was present to formally present the charter for the new year.

Plans were made for the annual inspection meeting to be held the last Tuesday in October.

Sam Redford Died Friday Night In Austin; Victim Of Polio

Sam Redford, 13, son of Mr. and Mrs. E. S. Redford, died in the Breckenridge Hospital in Austin, Friday night at 10:30.

Sam was stricken with lobar poliomyelitis on last Wednesday and his condition became critical Friday afternoon a few hours before he passed away. He was the nephew of Dr. and Mrs. A. E. Kruse of Cameron and was well known and liked by many of the young people of the city.

Sam had been Washington during the summer where his father, Professor of Government at the University of Texas, was doing research work.

Funeral services were held from the Central Christian Church, Sunday October 1 at 4:00 P. M. with Dr. John Barclay conducting. Interment was made in the Memorial Cemetery in Austin.

Surviving are his parents, Professor and Mrs. E. S. Redford, one sister, Lady Claire, his grandparents, Mr. and Mrs. R. Redford of Johnson City, Dr. and Mrs. A. E. Kruse, Lucian Kruse, Erwin Kruse of Cameron and Mrs. Portia Sabin of Chicago.

Mr. and Mrs. C. F. Pratt of Milano were in Cameron Monday, and visited their son, Mr. and Mrs. Marvin Pratt and sons.

RETAIL SALES SCHOOL MEETS TONIGHT AT 7:30

The Sales Retail School will have another course in "Selling Hardware and Auto Accessories" Wednesday night October 4 at 7:30 in the Chamber of Commerce Room, it was announced by L. G. Smith, manager.

Last night a course on How to supervise employees was held and only 7 attended. More members are needed for this class.

These schools have been very beneficial in the past and meetings of the different classes will be published daily. There is still time to enroll and those interested are urged to do so.

INTRODUCING

Sgt. and Mrs. Alvin H. Fail Jr., of Detroit, Michigan are happy to announce the arrival of Alvin H. III, born September 21, at the Holy Cross Hospital.

Alvin III weighed 7 pounds 8 ounces and both the mother and baby are doing fine. He is the grandson of Mr. and Mrs. Jim Gandy of Hanover. Mrs. Gandy and daughter Ella Fay are in Michigan visiting with the new grandson and plan to make a trip into Canada while on their vacation.

Mrs. Emma Poehl of Somerville is a medical patient at Newton Hospital.

Gets Music Post

ROYCE C. CURTIS has accepted the position as director of music at the First Baptist Church here. Curtis is a graduate of the East Texas Baptist College at Marshall and is working on his master's degree at Baylor University. Mrs. Curtis is also a graduate of East Texas Baptist College and has her degree in music. They have a four-month-old son, and at present are living in Waco.

Mr. and Mrs. Raymond Green, Mrs. R. B. Craddock and Mr. and Mrs. Bert Swazy visited Miss Ima McCoy in Taylor Sunday.

Farmers Urged To Order Lime; Stimulates Fall Legumes Growth

With the possibility that facilities of many kinds may be increasingly diverted to defense activities, Paul C. Graves, Chairman of the Milam County PMA committee, urges farmers to order lime now rather than to wait until spring. Call at the County Office and they will be glad to take your order.

Actually, the chairman points out, fall is the best time to put lime on grasses and legumes where it is needed since it stimulates fall growth and will be there when needed early in the spring. In the chairman's words "If it's put on now, the job will be done and you'll not have to worry about the availability of cars next spring."

R. C. Kennon To Move Shoe Shop To Rosebud After October 1

R. C. Kennon, owner and operator of the Kennon Shoe Shop, will open a shoe repair shop in Rosebud sometime the early part of October.

Mr. Kennon said he plans to move his entire stock and equipment to this new location around the first of October, and will be open for business in that city shortly after that time.

Mr. Kennon has been engaged in business here for the past 2½ years and his shop in Rosebud will be located in the Southern Electric Building, and the people of that city and surrounding area will be glad to know that Mr. Kennon is opening this new business in Rosebud.

Order your made to your measure suit now, before prices go higher.

And the fiddler's all paid!

It's just as true today as it was when Grampa was a boy, "If you want to dance, you've got to pay the fiddler!"

And the smartest, happiest people, those with the brightest futures, learn this, early.

So—plan the things you want out of life, and start thinking *right now* about how you're going to pay for them.

Here in the U.S.A., you have access to the most foolproof, sound system of saving that was ever invented—a system that can make regular saving for you an absolute certainty!

Under either of two *entirely automatic* plans, the Payroll Savings Plan where you work, or the Bond-A-Month Plan where you bank, you can buy U.S. SAVINGS BONDS!

With either plan, Savings Bonds can be purchased for you out of your income or savings—automatically—every month. You can't forget to save! It's done for you!

And remember, Bonds pay you 4 dollars for every 3 dollars you invest, in ten years.

**Automatic saving is
sure saving —
